Additional educational activity links are available at our school website, [RCPAOnline.org](http://RCPAOnline.org)

\*Your student's username is their **last name, first initial, middle initial**, and the **last 4 digits** of Student ID (lunch number). If a student has **two last names**, type both with **no punctuation**, followed by the first initial, middle initial, last 4 digits. If that does not work then try typing only the **first 13 letters** of the **last names**, followed by first initial, middle initial, and last 4 digits. Your student's **password** will be their **lunch n**
